F. 141-32-3, dated 1st March 1933, published in the *Mysore Gazette*, dated 2nd March 1933, Part III, Section 1, will be repaid at the Office of the Comptroller to Government, Bangalore, or the Treasuries or Banks in which the interest thereon is being paid now.

3. The Paying Officers can make payments without consulting the Comptroller to Government only in certain cases. In other cases they are required to send the bonds for examination to him. To avoid delay in payment, holders are advised to lodge their bonds with the Officers authorised to pay the principal or to send them to the Comptroller, Bangalore, for the examination of endorsements about 15 days previously, *i.e.*, from 15th June 1933. This will facilitate payment of the principal on the due date.

4. Holders of stock certificates should intimate any change of address to the Comptroller to Government, at once. They should arrange to complete any transfers they wish to make well before the due date. They will get the principal and interest due on the stock certificate upto 30th June 1933, paid by the officers, who pay the interest warrants for the last half year.

5. The securities tendered by the holder should be duly discharged under his signature as "Received the principal and interest due on this note or stock certificate" as the case may be.

6. Where the title to give discharge or to endorse the bond has been derived from a legal document other than a power of attorney, *e.g.*, a successsion certificate, probate, etc., such documents will have to be previously accepted by the Comptroller and before payment can be made. Bonds and documents in such cases should therefore be sent to him well in advance of the due date.

7. The signature of a lady in a language other than English or Kannada will have to be transliterated into English and authenticated by a stipendiary Magistrate or the Treasury Officer.

8. The discharge receipt and thumb impression of an illiterate person should be attested by a stipendiary Magistrate or the Treasury Officer as follows :—
